

Photo Policy

Approved by the Fergus Falls Public Library Board 06-12-17

Policy:

Fergus Falls Public Library staff occasionally take photographs of customers and events for use in publications, to display within the library, on the library's website and social media pages. Please notify a staff member if you do not want to be photographed.

Staff procedure:

- Staff will verbally ask participants if it's okay to use photographs taken in this manner. And, if library staff intend to post the names of individuals photographed, they will specifically ask if this is okay.
